

The New Products' Showcase

Showcasing Innovative Products & Plant Introductions

The Sacramento Valley Landscape & Nursery Expo is proud to present a new feature in the show. We are offering a separate area to showcase new products, services and plant varieties. You'll be in the center of everything so that all attendees and exhibitors can view your latest product. Give it a try — it's like having double exposure!

As A participant, what do I receive?

- 4 foot or 8 foot table top exhibit space
- Signage for company & booth space
- Exposure in high traffic area of the trade show

Terms:

- Limited to Sacramento Valley Landscape & Nursery Expo exhibitors.
- Registration must be received by December 31, 2009 to secure space.
- Product/variety must be new to the green industry in the past 18 months to qualify for this promotion.
- Product/variety can only be showcased once; past showcase product/variety cannot be repeated.
- Entrants subject to committee approval.
- Participants agrees to bring samples of the new product/variety to the showcase area for display purposes.
- Limited to available space — first come, first served.
